HESPERIA RECREATION AND PARK DISTRICT**

**NAME: MIKE LIMBAUGH**

**AGE: 52**

**OCCUPATION: Civil Engineer**

Mike Limbaugh has continued to represent People, Community, Choice and Integrity. Over the past term these values have produced ongoing success in the Park District programs. Working with the Board, Mike has seen the completion of the first major sports facility the Hesperia Community Park lighted ball fields, new landscape at Lime Street and Timberline parks, renovation of camping sites at the Lakes, safe parks, and supported only a balanced budget with NO TAX INCREASES.

Over the next four years Mr. Limbaugh supports the new facilities at Hesperia Community Park – including new restrooms, 9 new soccer fields with lights, improved parking, at Hesperia Lakes - more camping spots, restrooms, and completing the museum. He supports equestrian events, the translator and the children and adults of Hesperia for clean, safe, and fun parks.

He will continue to work with the people of our community to provide choice in park programs and growth in our facilities. Let's keep our community parks and recreation areas safe, fun, cost effective, and trustworthy, to ensure extended success for the Hesperia Recreation and Park District. If you support putting people, community, choice, integrity and NO TAX INCREASES as NO. 1,
